Westly Congratulates Feckner

SACRAMENTO, CA – State Controller Steve Westly today congratulated Rob Feckner on his selection as CalPERS Board of Administration President and issued the following statement:

“I’m pleased the Board selected Rob Feckner to lead CalPERS through the current debate over pension reform.

“For more than six years on the board and 27 years working with California students, Rob has brought his thoughtful voice to problem solving while being a consistent advocate for CalPERS retirees.

“CalPERS has a special responsibility to lead on corporate reform and we’re at our best when we target the poor performers and stop the worst practices. I’m confident Rob will lead the Board to real solutions to real problems on behalf of shareholders, taxpayers and retirees.”
